Article 1

Recognition

1. The Hospital(s) recognizes the Committee of Interns and Residents/ Service Employee International Union as the sole and exclusive collective bargaining representative for the titles interns, residents, chief residents and fellows employed by the Hospital(s) and wherever assigned. Persons in such titles are hereinafter collectively referred to as "Residents."

Article 2

CIR/SEIU Security

1. All Residents covered by this agreement shall, as a condition of employment, either:
 - (a) become and remain members of the CIR/SEIU in good standing during the terms of their employment, it being understood that membership in good standing on the part of a Resident shall mean the tender by such Resident of the periodic dues uniformly required as a condition of membership, or
 - (b) Pay an agency fee to the CIR/SEIU equal to the dues uniformly required as a condition of employment.

Article 3

Wages

2. No discrimination or reprisal shall be visited against any such Resident by either party based on membership or non-membership in the CIR/SEIU.
3. The CIR/SEIU shall have the exclusive right to the check off and transmittal of dues in behalf of each employee in the unit, said dues to be checked off monthly from the paycheck of each Resident, pursuant to authorization cards in conformity with law and pursuant to the directives of the CIR/SEIU, in such amounts as the CIR/SEIU shall establish. The Hospital(s) agrees to forward said dues to the CIR/SEIU within twenty (20) days of the end of each month.
4. It is specifically agreed that the Hospital(s) assumes no obligations, financial or otherwise, arising out of the provisions of this Article, and the CIR/SEIU hereby agrees that it will indemnify and hold the Hospital(s) harmless from any claims, actions or proceedings by any Resident arising from deductions made by the Hospital(s) hereunder. Once the funds are remitted to the CIR/SEIU, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the CIR/SEIU.
5. A list of all incoming and outgoing Residents shall be provided to the CIR/SEIU by July 1st, of each year and shall include names, addresses, PGY levels, and fellowship titles if any.
6. The Hospital(s) shall provide the CIR/SEIU with periodic updates of any changes (additions or subtractions) from the total number of Residents in the training program, including, names, home addresses, department, PGY level, and pager numbers.
7. The Hospital(s) agree that upon written authorization from a Resident on a form agreed upon by the Hospital(s) and CIR/SEIU, the Hospital(s) will deduct from each Resident's pay funds for CIR/SEIU's Voluntary Political Action Contribution (CARE) Fund.

1. The appointment of a Resident shall be based on his/her appropriate Post Graduate Year (hereafter "PGY"), which shall be determined as follows:
 - a. A Resident who has not completed at least one year of service in an ACGME, CPME or ADA accredited training program shall be placed at the PGY-1 level.
 - b. A Resident required to spend a prerequisite period of service, in an ACGME, CPME or ADA accredited training program in a specialty other than that in which he/she is serving shall be classified on the basis of cumulative years of such service, provided, however, that in the event a Resident changes his/her specialty, he/she shall receive a maximum credit of two years for prior service in such other ACGME, CPME or ADA accredited training program. Where there is a claimed violation of credit for prior service, retroactive pay shall be limited to 60 days prior to the date on which the Hospital(s) is first notified of such a claim.

Non-ACGME, CPME or ADA training will be evaluated by the individual chairman in reference to assignment of PGY levels for salary purposes. Such training will be re-evaluated if full accreditation is received and upon presentation to the chairman, however, the final decision will be made by the departmental chairman. Increased standing by a Specialty Board for non-ACGME, CPME or ADA accredited training programs shall not apply retroactively during the term of this contract, but be effective only from the time the affected resident submits such determination to his/her director and to the Hospital's Personnel Department.

2. A Resident converted to a PGY level pursuant to Section 1 shall, if hereinafter reappointed, be deemed to have served the number of years in an ACGME, CPME or ADA accredited training program applicable to the PGY level to which he/she has been converted and equated pursuant to the said Section 1.

2. FIRST STEP: The Resident and the CIR/SEIU shall take the grievance up directly with the Department's Chair, Program Director or Administrator involved. The Department Director or Administrator shall give his/her answer to the Resident and the CIR/SEIU within five (5) working days thereafter.

SECOND STEP: If no satisfactory settlement is reached at the First Step, the CIR/SEIU may
